

# THE GREAT ESCAPE

Reunion Weekend at Hatfield College  
16-18 Sept 2022 | HC175 - since 1846 | HA75 - since 1946

## Amended Programme:

We are deeply saddened at the death of Her Majesty Queen Elizabeth II. Our thoughts are with members of the Royal Family at this time. We share the nation's gratitude for her service and sense of loss at her death.

In line with National Mourning Guidance for the public and businesses ([published on GOV.UK](#)) the originally planned programme of activities has been amended. This amended programme is the restricted format prescribed by the University.

The flag flying from the College flagpole will be half-masted following the death of Her Majesty in line with guidance. The Hatfield Association has opened a Book of Condolence, which is available in the Hatfield College Chapel.
